

The Way

Chorus

If you are lost, I'll be your way
For I am the Way
When you're accused, I'll be the truth
Because I am the Truth
Even if you die, I'll breathe new life
Oh, I am the Life
Oh, I AM

Verse

If you are trapped in the back
Of a wilderness
You fall and you call out
It seems that no one cares

Losing hope, nowhere to go
We think no one sees us
Don't doubt, just call out to Jesus

Bridge

No matter where you go, always know
I care so much for you
And I love you, tell you the truth
Even if you die
I'm the Resurrection and the Life
Oh, I AM
