

# You Are With Me

## Verse 1

In the multitude of my thoughts within me  
You delight my soul and let me know  
You will never let me go  
With peace You speak within me  
Your mercy calms my soul and lets me know  
You will never let me go  
Lord, I know You will never let me go

## Chorus

Though I stray  
You are with me all the way  
All my days  
I will praise You 'til the end  
For You are with me

## Bridge

I've always been looking for someone who would love me  
You gave Your life to show You would never leave me
